Tips for motorcoach traveling

Are you wondering how you will pass time on a long trip?

- Bring your ear buds and your favorite play list, audiobook, or podcast to listen to on your smart phone, tablet, or laptop
- Watch movies, videos, or stay current with social media on your smart phone, tablet, or laptop
- Read a book or travel magazines about the places you will be visiting
- Journal your travel experience and document with the photos you take
- Bring a hobby like writing, braiding, crocheting, embroidering, or sketching
- A deck of cards, crossword, Sudoku, or Seek-a-word puzzles can help pass the time away
- Remember to bring your chargers or a power bank to ensure your electronics are always charged

Are you wondering how to make your ride more comfortable?

- Bring a sweater or a light jacket to wear when you get off at the planned stops
- Bring a light blanket in case the temperature on the bus is cooler than you prefer or to cover up with for a nap
- If sleeping on the bus, bring a travel pillow
- Bring comfortable clothes and shoes appropriate for your destinations
- Check the weather to ensure you pack accordingly
- Bring your sunglasses to help with the glare of the sun or to cover your eyes while trying to take a nap during the day
- In addition to your medications, bring antacids and ibuprofen, Tylenol, etc., in case they are needed during your trip

Wondering what happens if you get hungry between stops?

- You can bring snacks!
- You can purchase snacks along the way to save for later (bring some cash if you plan to purchase snacks at a rest area, not all accept credit cards)
- Bring your water bottle to help stay hydrated. You can refill at scheduled stops.
- Bring hand sanitizer or wipes to help keep your hands clean and keep yourself healthy!
