USA TRIVIA

*64% of American's own a flag

*The Pledge of Allegiance was written in 1892 and changed 3 times, in 1923, 1924 and 1954.

*There were 200 original copies of the Declaration of Independence printed, 26 known copies are still in existence.

*6 American flags have made it to the moon and are still standing, the missions of Apollo 11, 12, 14, 15, 16, 17 left nylon flags with aluminum flag poles that can withstand the moon's climate.

*While it's popular to wear clothing with the flag on it, it's technically a violation of the US Flag Code which states the flag should never be worn on apparel, used for bedding or draperies.

*There have been 27 versions of the US Flag since its inception.
